Kadar v angleščini govorimo o športu in športnih aktivnostih uporabljamo za opis le-teh tri glagole:

GO, PLAY in DO.

**Play** is used with ball sports and competitive games where you play against another person. It means to take part in a game which is played with rules.

Se pravi glagol PLAY uporabimo kadar govorimo o športnih dejavnostih z žogo ali kadar govorimo o tekmovalnih športih, kjer tekmuje z drugo osebo (igramo z drugo osebo).

I often **play tennis**. TENNIS is a ball sport.

Do you **play poker**? POKER is a competitive game. You play to win.

**Do** is used for recreational activities and a non team sport. You don't use a ball.

Peter **does karate** every day.

I **do a crossword puzzle** in my free time.

Glagol DO se uporablja pri rekreacijskih dejavnostih/športih in pri ne moštvenih športih.

**Go** is often used with activities that end in -ing. You go somewhere to do something.

I am **going fishing** tomorrow.

Do you **go skiing**?

Glagol GO se uporablja pri športih/dejavnostih, ki se končajo na – ING.
